

Resources for Educators & Students

NASA invests in our nation's future workforce by providing unique STEM opportunities to students, educators, and institutions. Utilizing NASA experts, the agency connects students to exciting NASA missions through dynamic science, technology, engineering, and mathematics content and experiences.

NASA STEM PROJECTS

MUREP

Minority University Research and Education Project
nasa.gov/stem/murep

EPSCoR

Established Program to Stimulate Competitive
Research
nasa.gov/stem/epscor

Space Grant

Expanding university-level opportunities to
participate in NASA projects.
nasa.gov/stem/spacegrant

Next Gen STEM

Engaging K-12 students and formal
and informal educators
nasa.gov/stem/nextgenstem

EDUCATOR RESOURCES
